

## Art center. The Museum of Vera Kholodnaya

As a part of "Revival" project aimed for early recovery and returning of former glory of Odessa film studio now in progress the renovation of Pavilion 1, which name will be the "Pavilion of Vera Kholodnaya". During the reconstruction we plan to create a new cultural Art center, which includes a small concert hall on 200 seats and the Museum of Vera Kholodnaya.

In the concert hall is planned to carry out a themed nights, shows, concerts, performances, balls and other events of cultural and educational orientation.

The Museum of Vera Kholodnaya created to attract tourists to Odessa film studio. Already were created and worked out the excursion tours both for children and adults. Now is going repairing and adjusting the objects of grounds which have the undoubted historical value.

In museum you will see costumes and furniture concerning to beginning of era of Odessa cinema. Will be recreated the interior where the great actress lived and worked, our cultural heritage and property. Also here you will see things and everyday items of those years, the objects related to cinema of the last century.

Those days billboards and posters of films in which screened our lovely compatriot - the superstar of "Great silent movies".
