

Dear friends!

Welcome by our updated website „Odessa film studio“. The famous film studio, and beloved by people in many parts of our country, as well as far beyond our borders during its long term history has created a large quantity of popular movies, which are by right considered for a long time as the authentic masterpieces of national cinema.

Today seek the collective of studio to renaissance of lapsed glory based on beautiful traditions and continuity of generations. Well known fact that Odessa film studio has always been focused on the production of the popular movie, and the principal incomes in the world are by production of just popular movie brought.

We plan and has already put into life a range of projects oriented to fastest renaissance of own production. It is essential also to revive the children's cinema, by which was our studio so famous. We hope that these films will be perceived by the audience, will be loved and well-known as well as all the films produced under the brand name - "Odessa Film Studio." Resumption of the popular and children's cinema in many ways guarantees to all investors and production studio the real income in the process of further development.

We invite everyone who sincerely wants to join us to create a new modern cinema for fruitful cooperation on a long term basis!

Chairman of the Odessa Film Studio

Andrei Vadimovich Zverev
